SUMMARY OF THE REASONS FOR DECISION:

The DVD entitled *Private XXX 15*, also known as *Private Total Desire* is classified as: Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years.

The DVD contains a feature that is identical to a feature contained on a video recording of the same title registered by the Office of Film and Literature Classification (Classification Office) on 17 September 2001, OFLC No. 101221. The classification of that video recording was objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years, with the descriptive note 'Contains explicit sex scenes'.

The DVD contains different trailers and additional components such as production and cast biographical details, and promotional stills. However these additional components do not contain anything that would result in the DVD receiving a different classification to that given to the video recording.
